GitHub Repository Setup (CIS615)

This document contains the required screenshots and information for the CIS615 GitHub assignment. I have created a private repository, organized a "Resumes" folder, uploaded my resume, and managed the version history of the README.md file. My Professor has also been added as a contributor to the repository.

The screenshot displays the GitHub repository interface for the CIS615 repository. At the top, there's a navigation bar with icons for code, issues, pull requests, and actions. Below the navigation bar, the repository name 'manika649 / CIS615' is shown along with a fork icon. The main content area shows a commit history starting with 'Add files via upload' by 'manika649'. The commit details show it was made 9 minutes ago. Below the commit history, there's a table listing files with their names, last commit messages, and last commit dates.
